The Children's Center	September 2011 - Present	Varies	57 hours	Volunteer: TCC is a therapeutic preschool that provides comprehensive mental health care that works towards the emotional well being of young children and their families. Internship: Summer of 2013 Volunteers work to create a nurturing, safe, and therapeutic environment for the children. Volunteers are expected to be good role models: I was told to essentially assume the role of a "big sister". While at TCC, I assisted the Therapeutic Preschool Teachers (TPS) and I read and played with the children. I'm in the process of organizing a service project where volunteers will help kids make a "happy wagon" -- A wagon filled with items. When kids are feeling sad, they'll take out some items, when they're feeling happy, they'll add in items. This will be a healthy way for them to express themselves.
